

# Paint Creek Folklore Society Presents THE 38<sup>TH</sup> TIN WHISTLE COFFEEHOUSE

## *Generations* With Dean Rutledge

Dean Rutledge is a former member of the New Christie Minstrels and the Kingston Trio. He is well known in the Midwest folk community, especially in

Detroit where he has toured since the 1960's. Playing guitar and banjo, Dean crosses the musical spectrum of folk, pop, and gospel, and entertains audiences with his own great original pieces. You will be delighted as Dean weaves music and memory. He and his friends, Steve Kowalski and Harry Miller form the group called "Generations." Come and enjoy as they bring the past alive and offer up a night of feeling and fun.

## *Just Friends*

Longtime Paint Creek favorites, Just Friends are Lori Cleland, lead vocals, guitar, banjo and sings like the angels.

Rosemary Kornacki on guitar and bass, Judi Morningstar on hammered dulcimer and bass, and Cecelia Webster on

Celtic harp and hammered dulcimer. In addition to all those instruments, they bring a varied repertoire of original and traditional tunes, a dry sense of humor, and good old-fashioned charm. It's been too long since we've had the opportunity to enjoy these four on our stage. It's sure to be a memorable event you won't want to miss!

~Also Presenting A Paint Creek Sampler Featuring~

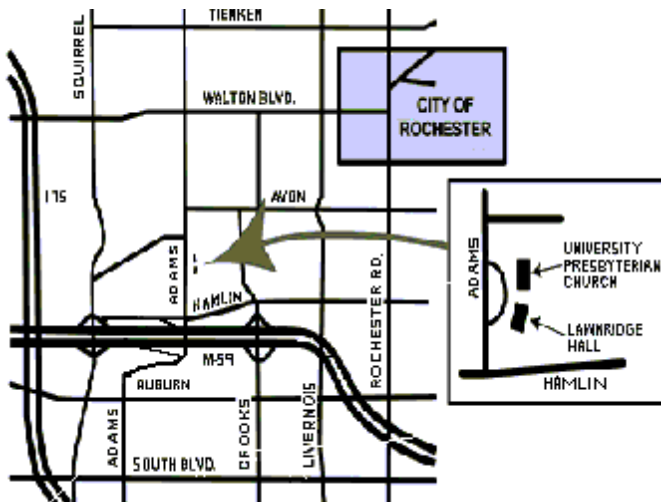

**Randy Proctor**, Randy Proctor's wide repertoire and strong voice is familiar to all 'Creekers; he has been a member for nearly 20 years. Randy grew up with folk and blues, and has played guitar and banjo most of his life. His influences include country, blues, Pete Seeger, Neil Young, Bob Dylan, and the Kingston Trio. Randy has played professionally in wedding bands, country bands, rock and roll bands, and even Polka bands!

**Jack Ferguson** Gypsy Jack Ferguson is a philosopher, storyteller, and songwriter. His gentle touch on guitar and low voice are a great combination. His musical repertoire spans the historical, the hysterical, and the mystical. His songs are often tied together with tales that are all true - mostly - and tend to start with, "There I was, mindin' my own business..."
