PCFS is a non-profit organization and all our venues are run on a volunteer basis. We strongly encourage every member to contribute by volunteering. Participation is an integral part in building the camaraderie that is the heart of the Paint Creek experience. Some jobs require physical labor and / or many hours of work. There is something for everyone, and we need everyone. We thank you in advance for your participation. If you have any questions or concerns, please feel free to contact any board member and we will be glad to help in any way.
